

Thriving in a Moment of Unprecedented Change

PCW Theme for 2026-27

The Parent's Council's theme for this program year is **Thriving in a Moment of Unprecedented Change**. This theme serves as our launching pad for our speakers and programs, which are aimed at connecting parents, teachers, and administrators from independent schools in our area.

Orientation

Thank you for joining fellow Parents Association Presidents and PCW Representatives at the National Cathedral School on September 14th. You can access information about the PCW and about the 2026-27 programs on our [RESOURCES FOR REPS tab](#).

PA Presidents Corner

Kickoff Discussion: September 24, 2026

Join other Presidents for an informal discussion on Thursday, September 24 from 10:00-11:00am via Zoom. We hope you will join us! [REGISTER HERE](#)

Action Items

Please encourage parents, educators, and friends to attend the event below by putting the program description and link to register on your school's website, in your school newsletters, and on social media (likely, you'll have to rely on your school's Communications director for help with this).

Here is some language you can use:

Movie Viewing followed by conversation with the directors: "Screenagers: Generation AI" Thursday, October 8 at 10am at Avalon Theater in DC

Parents Council of Washington (PCW) is pleased to welcome back Lisa Tabb for a moderated discussion about the topics raised in the film. Lisa Tabb is a distinguished producer with a background in digital media and parenting. In addition to Screenagers, she co-produces the Screenagers Podcast and edits the weekly blog, "Screenagers' Tech Talk Tuesday."

FYI: Coming up next

In November, we will host a panel with AI Experts titled "Growing up the Age of AI: What Parents Should Know." More information about that will be sent in the October checklist.
