Newsletter Action Items -- Include in Your School Newsletter:

Spread the word to your community about our next PCW event! *Language you can use:*

> ***PCW Virtual Speaker Panel: "Growing Up in the Age of AI: What Parents Should Know" -- Tuesday, November 17, 7:00-8:30 PM***
> Join fellow Parents Council of Washington (PCW) community members to learn from experts with experience in adopting AI in a school environment (Russell Shaw, former Head of Georgetown Day School), leading large scale AI transformation in higher education (Angela Virtu, American University), and seeing the global AI education landscape from 30,000 feet (Rebecca Winthrop, Brookings Institution). All PCW member school parents, administrators, faculty, and staff are invited. There will be time for live Q&A. **To participate live and/or view a recording, register here.**
